

THE BUTLERS FAMILY DETAILING LLC

BUTLER APPROVED PAINT CORRECTION & ENHANCEMENT MENU

Restore the Gloss. Remove the Defects. Protect the Finish.

PAINT ENHANCEMENT

Starting at \$250

Perfect for vehicles that need their shine brought back without a full paint correction.

- Exterior hand wash
- Chemical and mechanical decontamination
- Clay treatment as needed
- One-step machine polish
- Enhances gloss and paint clarity
- Reduces light swirls and minor imperfections
- Paint sealant/protection applied

Expected result: Improved gloss, depth and clarity with light defect reduction.

1-STEP PAINT CORRECTION

Starting at \$450

Designed for vehicles with noticeable swirl marks, light scratches, oxidation and dull paint.

- Thorough exterior wash
- Iron/fallout removal
- Clay bar decontamination
- Paint inspection
- Machine compound/polish
- Approximately 50-70% defect reduction*
- High-gloss finish
- Paint sealant/protection applied

2-STEP PAINT CORRECTION

Starting at \$650

For vehicles needing a deeper level of paint restoration.

- Complete wash and decontamination
- Clay bar treatment
- Paint inspection
- Compound cutting stage
- Refining/polishing stage
- Approximately 70-90% defect reduction*
- Maximum gloss, clarity and depth
- Paint sealant/protection applied

PAINT CORRECTION + CERAMIC COATING

Starting at \$850

Restore the paint and lock in the finish with long-term ceramic protection.

- Full exterior preparation
- Chemical and mechanical decontamination
- Paint correction
- Panel preparation
- Professional ceramic coating application
- Enhanced gloss
- Hydrophobic protection
- Easier maintenance

Ceramic coating options are available based on the desired protection level.

IMPORTANT: Final pricing depends on vehicle size, paint condition, contamination and desired level of correction. Deep scratches, rock chips, clear-coat failure and defects beyond a safe correction level may not be removable. *Defect-reduction percentages are estimates, not guarantees. Vehicle inspection is required for final paint-correction pricing.
